Tupperware®

Director-in-Qualification Program

Receive a $1,000 one-time cash bonus when you first step up to Director! This is the first incredible award on your path to increased income, leadership and fulfilling your potential.

Get started on your journey to Director by enrolling in and qualifying for the **Director-in-Qualification Program**.

How? You're already holding parties and recruiting a unit that holds personal parties. Achieve consistent unit sales and recruiting to build your business and be eligible to enroll in the DIQ Program.

To enroll, go to your My Sales Account. Click on the Menu dropdown for Sales Force > Program Enrollment. Then follow the steps. (Enroll anytime. You do not need to re-enroll if you miss the goal to start the program.)

To be eligible to start the program, achieve these goals during the sales month.

- $600 in personal sales
- $3,000 in Unit Sales (Unit Sales are your personal sales plus the sales of the three levels below you.)
- $9,000 in Dream Team Sales. **Dream Team sales** are your unit sales plus the sales of all levels below you, excluding the teams of any downline Directors and the units of any downline Managers who have completed one month of qualifying sales in the DIQ Program (though their first month of qualifying sales will count toward both of your individual Dream Team sales for both your and their DIQ Programs).
- Have six or more active, personally sponsored level one unit members

To remain in the program, achieve the same sales goals you needed to start the program.

- $600 in personal sales
- $3,000 in Unit Sales
- $9,000 in Dream Team Sales

Note: Six or more active, personally sponsored level one unit members are not required to remain in the program, but are strongly recommended for a successful program.

To step up to Director and receive the cash bonus, you'll want to build a larger team that holds parties, and inspire your Consultants so at least two step up to Manager. During a rolling three-month period (for three consecutive months), you need to achieve these goals.

- $37,500 in cumulative Dream Team sales within three consecutive sales months
- And 2+ members of your Dream Team achieving qualifications to be paid as Managers OR achieving the qualifications to step up to Manager or above (though their title will be effective the following month) in your last qualifying month

Track your progress in My Sales > Reports > DIQ > DIQ Summary.
